THE BILLIE WAY

Remember Billies, always be an upstander rather than a bystander. If you see racism, harassment, or bullying, stand up for what is right and make a report to an adult in the building.

LIBRARY EXPECTATIONS

We have had a lot of students misbehaving in the library lately. Please enter and exit the library in a quiet, respectful manner. The library is a place of work and study. Please use quiet voices while using this space. Running or rough behavior is not permitted. All food must be consumed before entering the library. A disrespectful attitude towards students or staff could lead to a ban from the library.
